The readers of this paper will be  
pleased to learn that there is at least  
one dreaded disease that science has  
been able to cure in all its stages and  
that is catarrh. Hall's Catarrh Cure  
is the only positive cure now known to  
the medical fraternity. Catarrh be-  
ing a constitutional disease, requires a  
constitutional treatment. Hall's  
Catarrh Cure is taken internally, acting  
directly upon the blood and mu-  
cous surfaces of the system, thereby  
destroying the foundation of the dis-  
ease, and giving the patient strength by  
building up the constitution and  
assisting nature in doing its work.  
The proprietors have so much faith  
in its curative powers, that they offer  
One Hundred Dollars for any case  
that it fails to cure. Send for list of  
testimonials. Address,

IRISH  
PLAY****The Game Keeper at the  
Opera House Tonight****Interesting Every Minute  
from Curtain to Curtain**At the Grand Opera House tonight  
Thos. J. Smith will produce his suc-  
cessful play, "The Game Keeper." The  
play is a cure for depression of  
spirits and the spectator feels an  
immediate inflation. It is a  
remedy agreeable to take, and the  
effects are immediate. "The Game  
Keeper" is a drama about which  
much could be written, but a detailed  
account is unnecessary. It is a  
strong play and possesses a deep plot,  
powerful situations, startling cli-  
maxes, and a high degree of refresh-  
ing comedy. During the unfolding of  
the plot an interesting story is told,  
and in pictures readily appreciated,  
the various phases of Irish life are  
brought into view.When "The Game Keeper" was pro-  
duced two years ago in New York,  
the entire corps of critics agreed in  
pronouncing the play one of absorb-  
ing interest. Its author, Con T. Mur-  
phy, has written about all the suc-  
cessful Irish plays, and here comes  
"The Game Keeper," his latest suc-  
cess. All types of society are por-  
trayed in this play, high and low,  
rich and poor, and the action carries  
the personages through some of the  
most picturesque scenes for which  
Ireland is famous. All theater-goers  
who revel in stirring situations and  
intensely dramatic episodes will ap-  
preciate "The Game Keeper." Prices  
75c, 50c, 35c.**THE HAIR BRUSH.**Breeds Dandruff, Which Causes Fall-  
ing Hair and Finally Baldness.Prof. Una, Hamburg, Germany,  
European authority on skin diseases,  
says that dandruff is as contagious as  
any other malevolent disease, and  
that one common source of the spread  
of dandruff is the use of the same  
hair brush by different persons. The  
way to avoid catching dandruff or  
any other disease from another's  
brush, is to insist on the use of New-  
bro's Herpicide. It not only kills the  
dandruff germ, but it is also an anti-  
septic that will prevent the catching  
of any disease whatever through con-  
tamination of another's brush.For sale by Daniel J. Fry. Send 10  
cents in stamps for sample to The  
Herpicide Co., Detroit, Mich.**WHAT'S IN A NAME?**Everything is in the name when it comes
